October 2026

Job Posting: Summer Intern

[Canfax](#), is Canada's source for cattle market information. Providing expert analysis of market trends in the North American beef industry for over fifty years. [Canfax Research Services](#) (CRS) provides the Canadian beef industry with statistical and market information on the domestic and global beef trends. Economic analysis is utilized for marketing, research, policy and investment decisions supporting strategy and business plan development as well as performance measurement. CRS monitors data sources from national statistics and develops new economic models to evaluate the impact of management decisions on cost of production.

We are looking for a talented, self-motivated individual to participate in our **Summer Intern Program, starting Monday May 3, 2027**.

Job Description

The Summer Intern Program is a unique opportunity for students interested in the Canadian beef industry across a broad range of topics. The successful candidate will be involved in collaborating on research projects in the areas of productivity, sustainability, and markets as they relate to the Canadian beef industry.

Responsibilities:

- Covering staff vacation: feeder market analyst (radio report, data entry and analysis), member and database coordinator (website, report template)
- Cost of production indexing
- Conduct literature reviews on a wide variety of topics
- Write fact sheets and blog articles
- Perform other duties as assigned

Qualifications:

- Applicants must be enrolled in undergraduate, graduate, or post-graduate studies
- Applicants should be enrolled in an agriculture or associated program, have beef production experience, and/or an expressed interest in pursuing a career in the Canadian beef industry
- Must have a minimum GPA of 3.0 and be available for the duration of the internship
- Must have excellent research, writing and communication skills
- Must be able to work in CCA's Calgary office

Please send your resume and cover letter by Friday October 30th to:

Huiting Huang, M.Sc.

Research Analyst, Canfax Research Services

180, 6815 - 8th Street NE. Calgary, AB T2E 7H7

Ph: (403) 275-5110 or Em: huangh@canfax.ca
